EDITOR'S PAGE

Being the yearbook editor took more work and dedication than I expected. Not only myself but the rest of the journalism class and Mrs. Tyler dedicated a lot of our time and worked very hard; from picking out the yearbook cover, to laying out the pages and writing copy. We tried our best to capture the memories and all of the "Good Times". I feel that this is a great yearbook and will be a hard one to top.

I would like to thank all of the advertisers for supporting us financially; Mr. Rich, Rodney Dunlap, and Teresa Friday for copy; Tony Watkins for art work; Ruchelle Johnson for photography, and all of the teachers who helped us in many ways.

Sincerely,
Genna Crossen
Editor

The year is ever over,
 But the memories, they remain —
 Memories of the classes,
 Preparation for life's terrain.

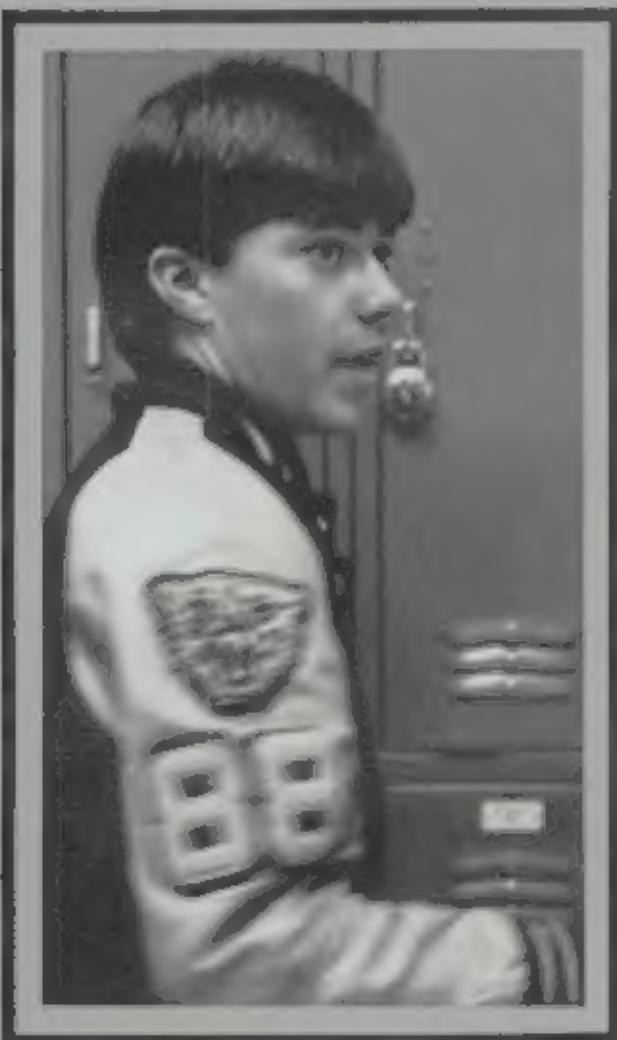

Memories of club meetings,
 Those both good and bad.
 Memories of the good times
 We so very often had.

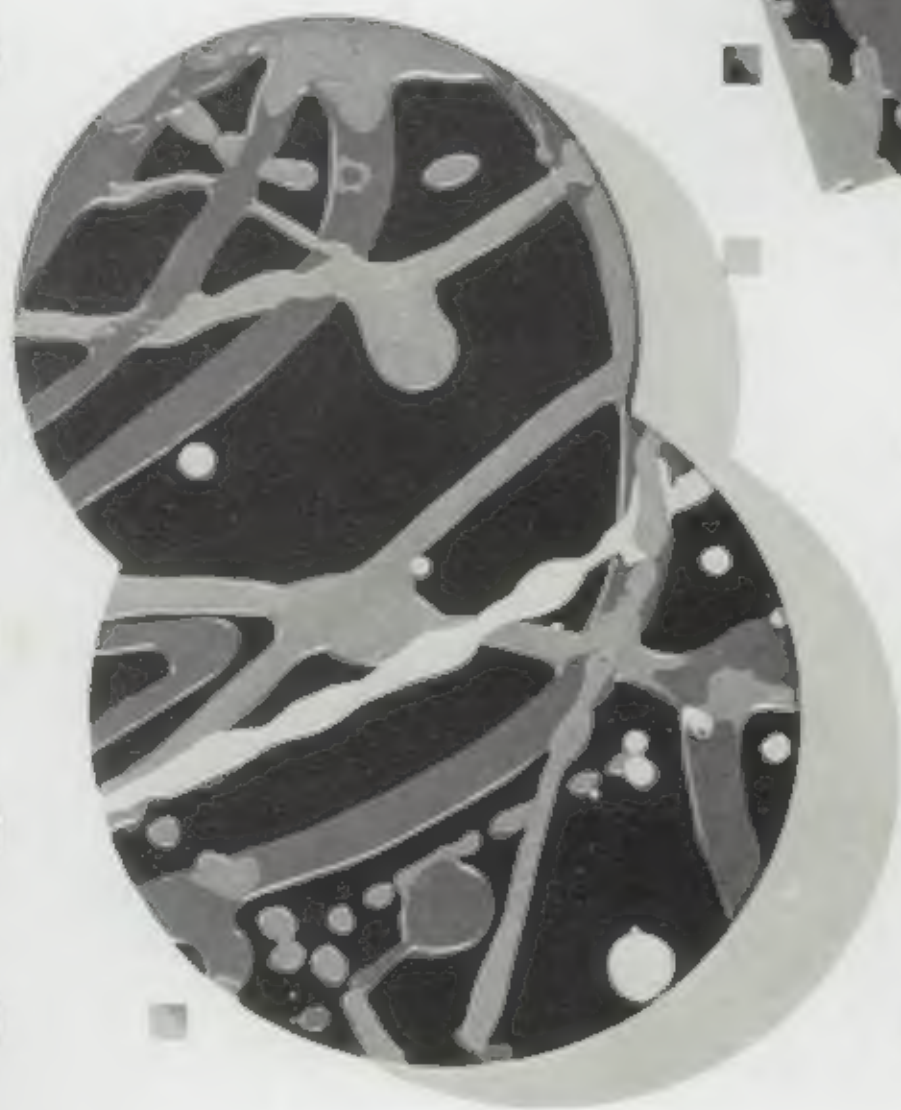

Memories of the good friends,
Who helped us on our way,
Those who made the good times
And brightened every day.

Memories of homecoming,
And the queen's most joyous tear,
Memories of the ball games,
And the fan's most boastful cheer,
Yes, the classes, clubs, and ballgames,
The friends and happy tear,
These are all the good times,
Memories — of one terrific year.

Many events happened during our senior year. Our President Ronald Reagan met in Iceland with Mikhail Gorbachev to talk of peace for the Star Wars program. This was followed by U.S. bombing Libya and Lt. Col. Oliver North began congressional testimony on secret funds for Nicaragua's Contras.

Chernobyl Power Station in Russia exploded causing radiation to be spread world wide.

The U.S. for the first time in years had a stunning 29% APR on the new cars being sold.

Aids spread world wide striking people of all ages and sexes. Scientists are working on a cure.

Drugs were the main thing but were soon put down when it claimed the lives of 2 sports stars among 147 others. Rock Stars even became involved forming 'RAD', Rock Against Drugs. It was a big hit.

Teen-age pregnancies were as popular as drinking and driving. Commercials were formed which brought about the popular saying 'Say yes to saying No'. Many pregnancies and lives were spared because of this.

Another important event in our year was when 400 people walked across the U.S. to protest Nuclear Arms. Also five million Americans joined Hands Across America to raise money for the nation's hungry.

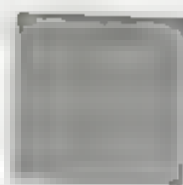

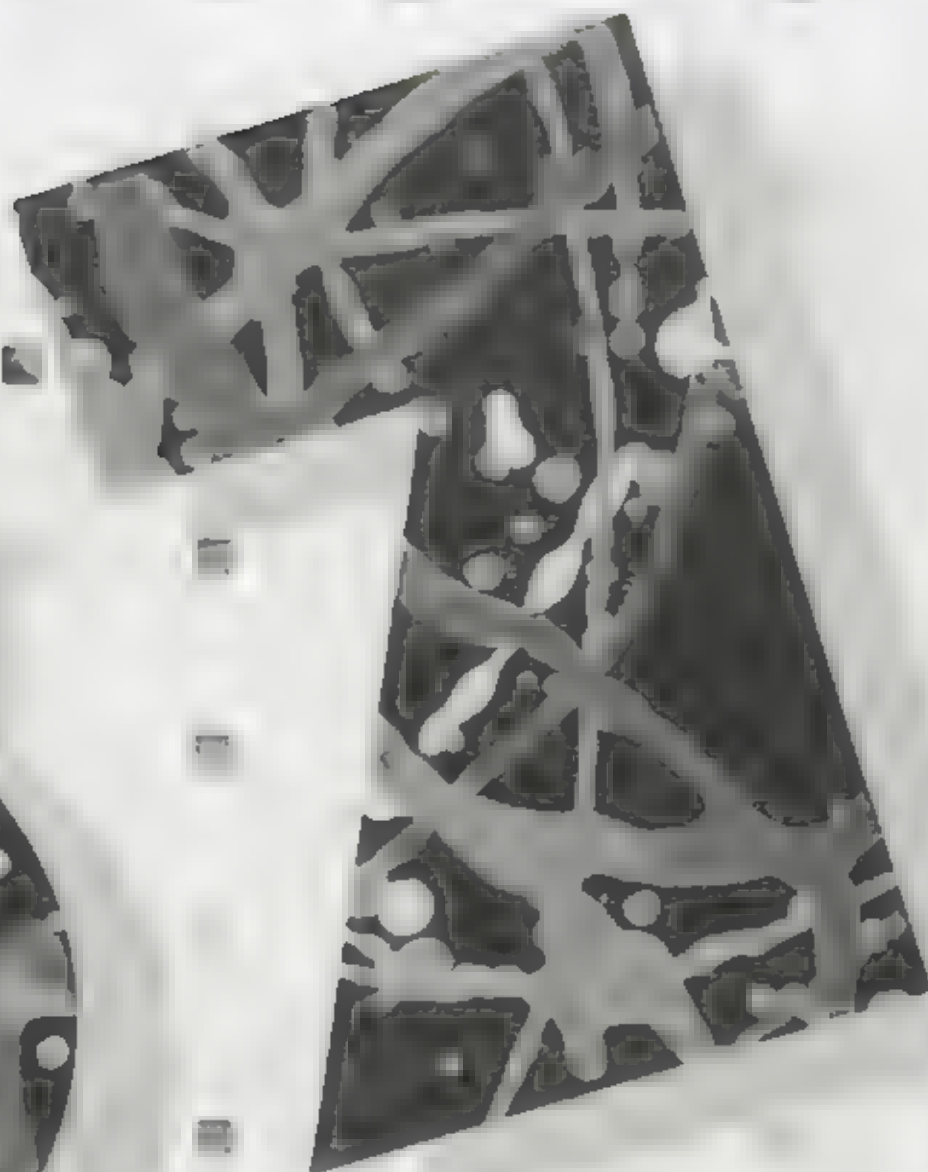

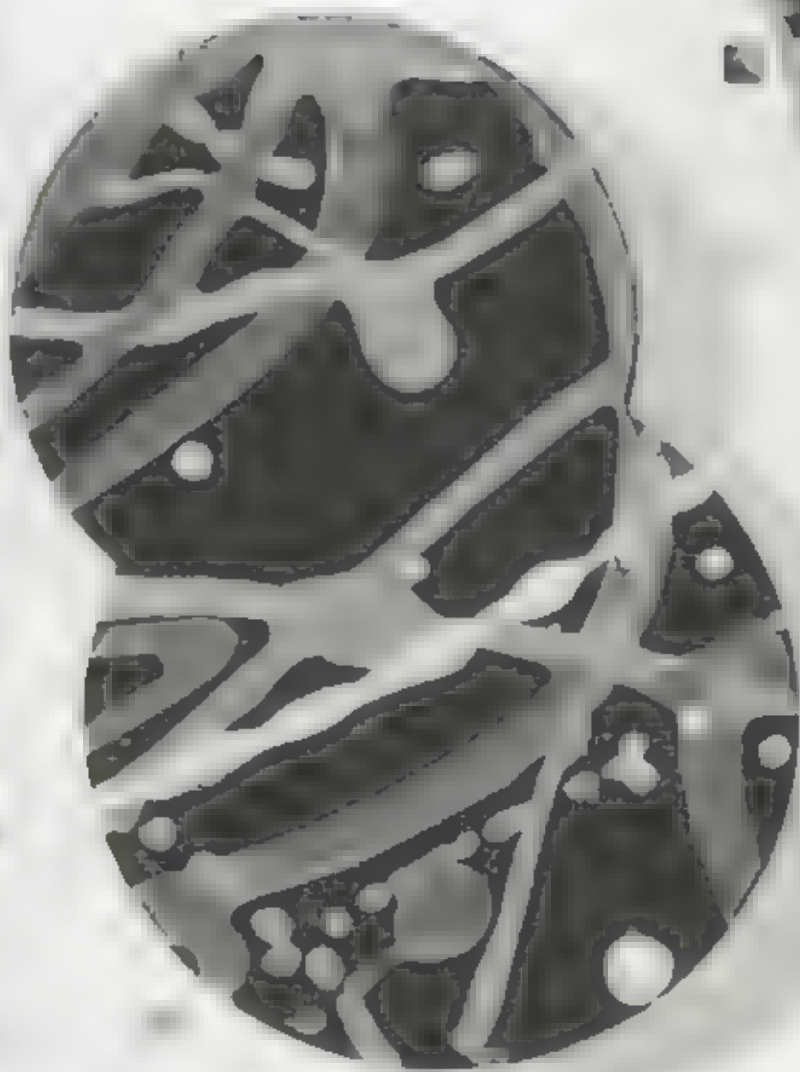

Tom Cruise made his big premiere in 'Top Gun' which was the year's best seller. Needless to say Tom Cruise was the teenage heartthrob of the year. Following 'Top Gun' was the 'Golden Child' starring comedian Eddie Murphy. And for the first ever, an Australian import 'Crocodile Dundee' was a top grosser even though it received bad reviews.

As for Rock 'n' The Boss, Bruce Springsteen's new album hit stores and set record sales. Madonna came back after marrying Sean Penn with a new image of short hair and hit the charts even more with hits such as 'Papa Don't Preach'. Hard Rock was popular among most teens, with groups such as Motley Crue, Bon Jovi, and David Lee Roth.

This year, computers were becoming popular. Every home just had to have a computer to be considered a 'real' home.

One of the biggest events of the year was the Statue of Liberty celebrating her 100th Birthday. An exuberant President Reagan and 6 million happy onlookers watched the 28 minute barrage on national TV.

French doctors found a new approach to birth control. A pill could be taken to effectively terminate pregnancies without causing any serious side effects. We saw a major gas war. Gas went down to 50¢ a gallon. Sodas went up to 60¢ in some places. The show made a big drop in price to \$1.00 admission fee. The reason for this big drop was the craze for VCR's and video tapes. More people were spending time at home watching a variety of movies than going out to the show to watch just one movie.

BOARD OF EDUCATION

Members of the Board of Education are Johnny Alwell, Earl Pierce, president, Jim Thurman, Marvin Glass, vice president, and Jimmy Jones. Not pictured is Bob Newcomb, secretary.

Decisions and accomplishments of the school board in the last three years include improvement of the curriculum by adding computer education and placing computers throughout the school system. Also one was purchased for the central administrative office. The number of graduation requirements was increased to twenty three, which changes the math and science unit requirements to two instead of one. Also adopted were new graduation requirements for Special Education and a new discipline and attendance policy with incentives for good attendance. Junior high students can now take Home Economics, and the libraries have been upgraded to meet and exceed the state requirements in all phases of materials and equipment.

A new advisory committee for various vocational classes offered at NHS was formed, and a new parent advisory committee and policy for chapter one was formed and adopted. Also, an early childhood education known as 'Parents as Teachers' program was implemented. A competency based evaluation committee met and laid guidelines for the present evaluation of teachers.

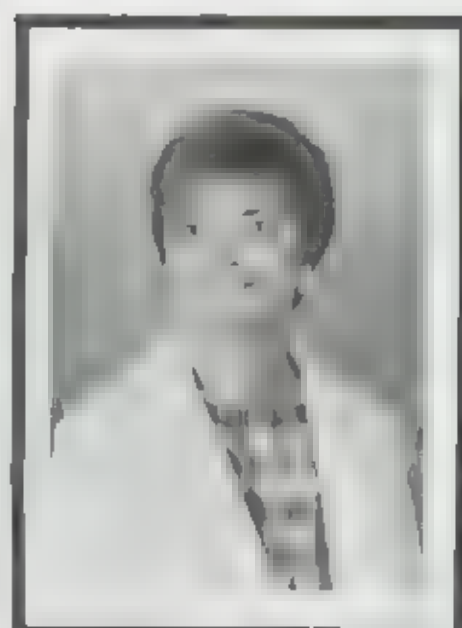

Construction and repairs include three new homes in the district, concrete basketball courts on the elementary playgrounds, and works and camps in the Neelyville campus. The new science and business complex will be completed by the building trade classes. They did some of the construction and repairs mentioned. In the old high school building, new floors were laid, the heating system was rebuilt, and new window blinds were hung. The Hillview vocational building and the carpentry building were re-roofed.

Other improvements include a new manual fire alarm system in the senior and elementary buildings and automatic safety fire equipment in the kitchen. Security lights have been placed in all the buildings. A PA system with push button call in and monitoring was installed at NHS. Hillview and Neelyville Elementary received a PA system and a new bell system.

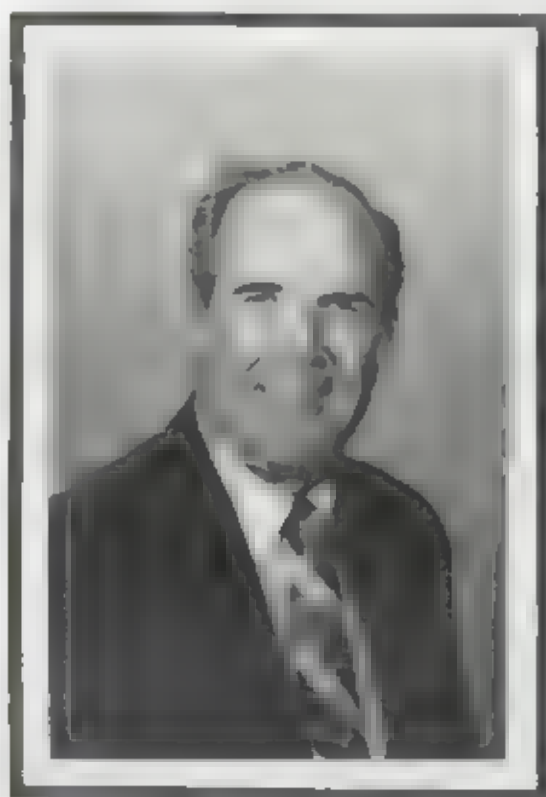

The board purchased tractors and brush hogs for the Hillview and Neelyville campuses. A salad bar was added in the lunchroom and new lights and a scoreboard were supplied for the baseball field.

IN MEMORY OF MRS. BERRY

Mrs. Mary Berry served the Neelyville R-4 School District for almost twenty years as secretary to the high school principal. It was during those years that she touched the lives of a large number of students and faculty members. She was a devoted worker in the school, community and church. There was never a time in those years of service that she ever criticized anyone regardless of circumstances. No one could have a better testimony or memorial than what she achieved in those twenty years. The students, faculty and administration miss her and have established the Mary Alice Berry Scholarship Fund in her honor at the Neelyville Branch of Mercantile Bank.

The devotion given to her work at school was only part of her life. She was a devoted wife who loved and cared for her family and their agricultural endeavors.

Most certainly, Mrs. Berry's attitude toward life may have been best illustrated in the following poem by Alfred Lord Tennyson.

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home

Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark,

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have cross'd the bar

ATHLETICS

The athletic department is an integral part of the curriculum and social life of the Neelyville R-4 School District. Cheerleaders, parents, friends, past students, school board members, employees of the school district and other sports fans make-up the support system that our basketball and baseball teams thrive on. Also important are the other areas of P.E., Health and Intramurals.

Mr. Kich was the cheerleader's free throwing contest.

- 2 Ever faithful fans enjoy home ball.
- 3 A school game after long tense moments.
- 4 A time for refreshments and friendships.

The Tigers had an extremely fine fall season. They were 9-1 and playing well going into the conference tournament. There, however, the offense that had carried them through the first 10 games was not a factor for them. As a result they lost 2 games.

However, the Tigers are optimistic for the coming season. They hope to rely more on pitching and defense rather than depending so much on hitting.

To Jammie From Eric
I love you with all
of my heart and you
mean the world to me.
All I want is for us
to be married and to be
together FOREVER! = you!

Neal,
It's been a great
year, even though we've
had our differences.
We've made it this
far together and if
we should ever be
apart, remember we'll
always be together
in the heart.

The Future Homemakers of America is a Vocational Student Organization designed for those students that are enrolled in consumer home economics and occupational home economics classes. In this school year of 1986 and 1987 the Future Homemakers of America is the largest organization in the state of Missouri with over 13,000 affiliated members. FHS/HERO is an organization designed to be completely integrated into a vocational home economics program. The intended purpose is to create their personal qualities, leadership skills and to accomplish future goals.

This year Becky King served as state vice-president for Region 8 of the Missouri Association of Future Homemakers of America. It was Becky's responsibility to be the communicator for the state and regional levels. Also, she saw that all correspondence of the association was distributed to the FHA/HERO chapters in Region 8. As a resource person she updated the region on all of the state and national projects. Becky's goal was to increase membership and to maintain FHA/HERO support and enthusiasm.

DISC FLOWING

FFA has many activities. They start out the year by going to the Delta Research Center and the Mid South fair. In the fall they have an annual hayride and barnwarming where they crown the FFA Sweetheart. The Parent Banquet is held in March, and in April, they elect new officers for the next year. One of the biggest events in FFA is the FFA contests in March and the state convention at Columbia, Missouri.

The Neelyville FTA was issued a charter on October 12, 1966 by the Missouri State Teachers Association. The Sponsor was Mrs. Teel

Members are open to students (10-12) with above average grades who are good school citizens and who have expressed an interest in exploring a teaching career by serving as a cadet teacher. Members are often called on to substitute for teachers in emergency situations and to assist the teacher with special projects

Once each year members select a particular subject or grade and actually teach for at least three sessions under the guidance of the classroom teacher. All participants are issued an FTA Teaching Certificate at the end of the project

QUIZ BOWL

Neelyville Senior Quiz Bowl was started this school year by Mrs. Tyler and Rodney Dunlap

The group ratified this Creed

We, as members of Neelyville Senior Quiz Bowl, agree to give others the impression that quiz bowl is a club for those who wish to expand their knowledge, become aware of the world around them, and become better individuals in general while still maintaining a balance of responsibility and enjoyment of life

Last year Jr. Beta invested \$530.00 in Quiz Bowl equipment, formed a team and competed with surrounding schools, such as Twin Rivers. Quiz Bowl consists of individuals who belong to Jr. Beta or who meet entrance standards.

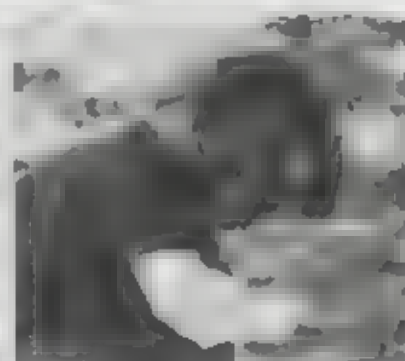

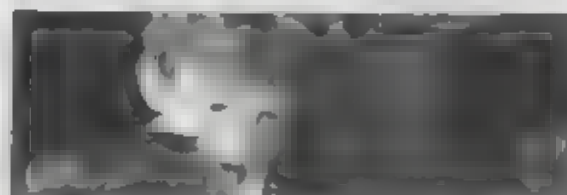

During the year Jr. Beta has several different activities. Shortly after school begins, Jr. Beta goes on a pizza and skating party. Before Christmas vacation they draw names and exchange gifts at a Christmas party. After 1st semester they invite students to join Jr. Beta. The final outing is a trip to Six Flags in St. Louis.

1. The first part of the paper
describes the general situation
of the country and the
state of the economy.
It also mentions the
main problems which
the government has to
solve.

2. The second part
describes the
main results of the
work.

To a nice sweet
good looking person
who I hope we will
be friends 4-ever
Good luck with the
gigs.

Robin

Perkulatos

Devin,
THANKS for
being a sweet
guy all these years.
Believe it or not we
finally made it to
Jr. High. Even gotten
all these times of you
breaking up with me
I guess you're a pretty
good guy. See ya next year.
P.S. Good-luck!
Heather 88

Devin,
Thanks for all
the years me and
you have been friends.
Every time I needed
a shoulder you were
there. And also, keep
up the grades. I don't
want to be the only
"nerd" in Jr. Beta.
(Although I'm sure
I won't be). Well,
anyway thanks for being
a great guy. See ya
next year! Christy ♥

P.S. Good Luck
with the girls!!!

Dear -

y. he with the 7th grade
has been interesting and memorable
I'll always remember my first students.
I've appreciated your enthusiasm &
look forward to having you in class again
next year. Have fun this summer.
Mrs. Corbin
